

Bosque Museum Is a 2022 Blue Star Museum

The Bosque Museum has once again joined museums nationwide in the Blue Star Museums initiative, a program that provides free admission to currently-serving U.S. military personnel and their families this summer. The 2022 program began on Armed Forces Day, Saturday, May 21, and will end on Labor Day, Monday, September 6. Find a list of participating museums at <https://arts.gov/initiatives/blue-star-museums>.

Blue Star Museums is a partnership between the National Endowment for the Arts and Blue Star Families, in collaboration with the Department of Defense and museums across America. The program includes children's museums, art, science, and history museums, zoos, gardens, lighthouses, and more, that hail from all 50 states, District of Columbia, and the U.S. Virgin Islands. The current list of museums will continue to develop during the summer.

Sampler Camp 2022

Young ones from across Bosque County enjoyed a week of Summer Camp at the Bosque Museum during the week of June 14-17. It was called Sampler Camp, as each day the campers sampled a different aspect of the Museum.

Campers had fun with their daily 'Museum Mission', activities like doing Pioneer Chores, and enjoyed exclusive opportunities, like checking out the inside of the Joseph Olson Log Cabin!
