**Sights & Sites 2023**

The 11th Bosque Museum Art Show and Sale started on May 7th. This year's entries has been phenomenal. Kudos to the artists who took it upon themselves to submit paintings with both Sights and Sites.

We would like to thank Kathy Tate, our judge for 2023. Her artwork embodies the spirit of Sights and Sites. We also want to thank the organizing committee of the show. It takes a lot of work to coordinate this many paintings and artists. And, THANK YOU, ARTISTS! The caliber of work this year was very high. The pieces that made it the best of Bosque County. Over 80 friends, neighbors, artists, and art lovers attended the Opening Reception and were on-site to congratulate the following winners of this year's Sights & Sites Art Show and Sale.

**Docent Tea & Style Show**

The Bosque Museum Docents hosted *April in Paris*, this Spring's afternoon tea and style show on April 15. The always-popular event was once again a sold-out audience. The theme highlighted the elegant affair with touches of spring blooms and Parisian class. The style show featured Docent models donning the latest styles from show partners Albrecht's Pharmacy, Lady Bugs, Market at the Mill, and the brand new Mazie Grace.

Carol Linn, Peggy Reed, Karen Cornett

*Committee Chair, Karen Cornett says:* The Docents came together for a good cause, while enjoying each other's company, tea and treats. It was fun seeing the ladies and gents in their finest apparel including hats and pearls. The Best Hat contest was a new addition which added a festive touch to the tea. We really appreciated the committee for all they did to make this such a wonderful event and to the community who provided door prizes, auction items and clothes for the style show. The Museum staff was invaluable with all their help. I want to add a special thank you to the docents who loaned the beautiful china. It was fun to step into an afternoon in Paris and I look forward to next year's tea.
